Report of Principal and School Improvement Council

The Faculty and Staff of Cooley Springs - Fingerville Elementary is dedicated to "growing" the whole child. As partners with our parents and community, we united to encourage and support each child as they achieved his/her full potential in a safe and caring learning atmosphere. We strived to create a challenging learning environment that encouraged high expectations for success through developmentally appropriate instruction that allowed for individual differences and learning styles. Teachers worked to prepare our students for tomorrow's world by engaging students in rigorous instruction and offered remediation when necessary. The 7 Habits of Happy Kids were emphasized to assist students with their character development. We also began a positive behavior support system to "Bee kind," "Bee responsible," and "Bee the best you can be."

Many of our students received individual recognitions during the year. Students were honored and recognized in the following areas: Kiwanis Club, "Terrific Kid of the Year," CSF Spelling Bee, and Veteran's Day Essay Winners. CSF students also participated in several various community service projects such as: Jump Rope for Heart, Canned Food Drive for Upstate Family Resource Center, raising money for "Security Blankets," and a Valentine party provided to HOPE Center of Spartanburg.

This year's professional development training provided teachers with tools and resources needed for the implementation of the New State Standards in reading and mathematics. CSF continued to use data to develop and enhance our school's instructional focus increasing student achievement as indicated by MAP and PASS assessments. We have continued to expand our focus on making various forms of technology available to students and teachers for the enhancement of classroom instruction and student learning.

Our School Improvement Council and PTO worked together to assist the school administration in reviewing school initiatives and improvements. The continued effort of these teams served as an important part of the success of our school. CSF's accomplishments can be attributed to our stakeholders who worked persistently to meet the needs of our school by supporting school wide projects and programs that make CSF a place for children to "Get Ready...Get Set...Grow!"

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: http://ed.sc.gov/data/esea/ or request this information from your child's district or school.
